A AND O

Chapter 24
[Tower of the Goddess Part 11]

Was he really in the same group with Min Jin-ho?
Even if he was,
he'll have no choice but to kill Min Jin-ho.
LONE MANGA!
There are four of us against that weak Min Jin-ho.
If he's smart, he should know which side he should stick with.
There's only one problem.
What if Hyun-soo is killed by Min jin-ho?
We've been observing them from an adjacent room
and we haven't heard any screams or loud noises so far.
So we can assume something like that hasn't happened yet.

Hyun-soo is probably looking for a chance
to kill Min Jin-ho right now
LONE MANGA!
There's a method where you don't have to cut your fingers?
Are you serious?
Of course!
WINK
Have I ever lied to you before?

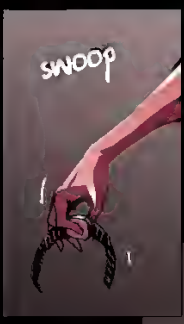
The time keeps flowing here.
SWOOP
But what happens when you take the watch off your wrist?
I wonder what will happen to the flow of time in my body?
Well... It'll keep flowing, obviously.
But since you don't have a watch you won't be able to tell how far you've progressed
Correct! Then what if you wear someone else's watch?
What do you think happens to your body's flow of time?
!
With the reset time on the watch
it overwrites the previous watch's time?
That's correct!
And now, I'm going to reveal my watch to you!!

It's at the original point?!

Did you...
just cut your finger?!
I didn't.
The arrow is just stuck at the original point right now.
?!
Why?!

I'm not sure.
I wonder if the world rewarded me or something for killing the goddess?
This watch...
I'll give it to you.
!!!!
LONE MANGA
If... if you give that to me...
You'll have to cut your own fingers!
You're right.
but I'll be fine.
If it's for my important friend.
I can withstand that pain!

No way...!
Min Jin-ho is going to sacrifice himself for me?
This bastard, what is he planning?
Toss
You don't trust me?
I know that most of my words sound like bullshit and lies.
but you have something you can confirm right now, don't you?
...
Let's not overthink things...
Min Jin-ho is not acting logically right now!!



SWOOP

He's telling the truth!
The arrow is really stuck at the original point!
SWOOP

I want you to know that I want you to survive.
Now that I've given you the watch, it's up to you on what you will do with it.
You can use it for yourself
or you can give it to someone you care for dearly.
A long time ago, in a peaceful village.
there was an unknown disease that spread about.
LONE MANGA!
Unfortunately, all the the villagers...
SWOOP
contracted this disease.
The only vaccine that can save them
CHUUK
is in front of me right now!!

LOND MANGA!
